\* Calculation done for 20 palets/contenedor, optional 21 palets, except for Galon where 22 palets could be fit. / Los cálculos son para 20 palets/contenedor, opcional a 21 palets, excepto para Galón que puede ir a 22.

\*Average weight of american palet: 18 Kg \* Peso medio Palet Americano: 18kg.

The background features a large, stylized olive branch in a dark green color, set against a lighter green background. The branch curves across the frame, with several olives hanging from it. The olives are represented by simple, rounded shapes, some with a small stem and leaf.
