✓ **DESCRIPTION**

Extra Virgin Olive Oil

We manufacture Extra Virgin Olive Oil of the highest quality from olives harvested directly from the tree sorted by quality at reception. For production of the olive oil, only natural processes are used and the olives are immediately milled to keep the organoleptic characteristics of harvested fruits. Our mills offer unique features to obtain the best Extra Virgin Olive Oils from varieties Manzanilla from Sevilla, Picual, Hojiblanca, Verdial, Arbequina and Lechin.
